168 169	Q:	Overhead lights I mean and siren?
170 171	A;	No sir.

177	Q:	With your attorney. Okay.
179 180	Q2:	He did, yes.

181	Q:	Okay and what uh, was your designator this evening?
182		
183	A:	I was Adam 137.
184		
185	Q:	And what area were you assigned to?
186		
187	A:	The north NPC.
188		
189	Q:	Uh, graveyard or swings?
190		
191	A:	Uh, graveyard sir.
192		
193	Q:	Graveyard. Uh, were you working by yourself or with a partner?
194		
195	A:	Uh, by myself.
196		Ol 14 14 1 2 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1
197	Q:	Okay. And the reason that you're in the area was that um, just routine patrol
198		or were you responding to a call?
199		
200	A:	No sir just routine patrol.
202	0	Okay. And I'll just have you uh, go through your direction of travel, what you
202	Q:	saw and go through the incident and then we'll – we'll break it down if we
203		need to from there. So I'll just have you start, what were you doin' over there
204		
205		uh, what'd you see and just kind of go from there.
206		Okay sir. I had previously left a call with my partner, previous call so I was
207	A:	goin' back towards the downtown area and I was heading southbound on La
208		Cadena towards Vi- or First I believe it is. And uh, I saw an individual kinda
209		runnin' across the street. So I got closer to that individual, threw my spotlight
210		1 11 WIT 1 1 1 202 II and "I'm and " I gold "Olygy
211		what are you doing?" "Oh I'm good." So I s- as I'm kind of having this
212		what are you doing?" "Oh I'm good." So I s- as I'm kind of having this dialogue with him I get out of my car and as I get out of my car he's on the – the passenger side of the vehicle so I can't see him from his head down. And as I'm getting out of my car I just see his hands over the – the top portion of the vehicle and I see muzzle flash. And at that point I think he fired at least
213		the passenger side of the vehicle so I can't see him from his head down. And
214 215	*	as I'm getting out of my car I just see his hands over the – the top portion of
216		the vehicle and I see muzzle flash. And at that point I think he fired at least
217	$\mathcal{A}(0)^{\vee}$	two shots at me. I immediately returned fire and like got uh, sought cover
217		behind my car.
218		comina my can.
220	Q:	Okay. So you were just on routine patrol going south on East La Cadena or
221	ν.	Vine whatever it – I believe it's East La Cadena. And you're pulling up to
		First Street. To the area of First Street?
222		
224	A:	Correct sir.
225		

225

226	Q:	And you see somebody crossin' the street. What did that person look like or
227		what did you notice? Was it a man, a woman?
228		
229	A:	I believe it was a Hispanic male. He had a – I believe he had a baseball cap
230	11.	on and uh, black jacket on.
231		on and an, black jacket on.
	0.	Okay. And he was crossing from what side of the street to what side?
232	Q:	Okay. And he was crossing from what side of the street to what side.
233	.	He was saine
234	A:	He was going
235		
236	Q:	So one side – on the west side there's houses.
237		
238	A:	Right.
239		
240	Q:	On the east side there's a gas station and uh, like an open parking lot.
241		
242	A:	He was going from the area of the residence so from west to east across the
243		street.
244		
245	Q:	Could you tell what house he was comin' from?
16	4.	
∠47	A: 0	That I don't know sir.
248	A.	That I don't know on.
249	Q:	Okay. Was it pretty much adjacent to the car that he was going to or
	Ψ.	somewhere in that area?
250		Somewhere in that area:
251		I believe so but at – at the time that I saw him he was already more than
252	A:	
253		halfway across the street so I couldn't see which residence he was coming
254		from. I could only kind of tell the direction and that was just by his direction
255		of travel.
256		
257	Q:	Okay and it's – it's almost 11:30 so it's dark and you're seeing this in your
258		headlights?
259		
260	A: 0	Uh, yes sir.
261		
262	Q:	Is that correct? Okay. And did you pull – you pulled up and stopped?
263		
264	A:	Uh, yes sir.
265		•
266	Q:	Okay. And where was he when you stopped your police car?
267		
58	A:	By the time I stopped my car he was already on the passenger side of the
<i>2</i> 69		vehicle.
270		
2,0		

271	Q:	Okay can you – you s- you're talkin' about a car
272	•	
273	A:	On the – he's on the rear passenger side of the vehicle.
274		
275	Q:	Okay where was this car at that you're talkin' about?
276		
277	A:	The car was in $a - a$ dirt parking lot I believe is – there's gas pumps there.
278		I'm not sure if that's a business or what but I know there's fuel pumps there
279		and the car was I guess just a little bit south of the pumps just parked in the
280		dirt lot. It was dark and – and it wa- the vehicle was facing uh, northbound.
281		
282	Q:	Okay so you're facing south and it's facing north.
283		
284	A:	Correct.
285		
286	Q:	It's parked in the dirt on the east side of the street?
287		
288	A:	Yes sir.
289		
290	Q:	In like some kind of little dirt parking lot.
71		
∠92	A:	Yes sir.
293		
294	Q:	Okay. Could you see anybody in that car? Did you notice if anybody was in
295		that car?
296		I'll subset I first not them I just cought a climage of the driver of I'm bind of
297	A:	Uh, when I first got there I just caught a glimpse of the driver so I'm kind of
298 299		lookin' at the driver and lookin' at the gentleman I just saw across the – cross
300		the street.
	0.	Okay. And so did you roll your window down to speak to him or did you get
301	4	out?
302 303		out:
304	A: 6129120	Um, my window was already rolled down. At first – when I first said
305		something to him as far as, what are you doing? Uh, I was – the second time I
306		asked him a question just due to his behavior he was kind of real suspicious
307	(O)	and I – again I couldn't see him and see what he was doin' because of where
308		he was behind the vehicle. So I immediately got out of my car and – and I
309		was getting' ready to, you know, put out on the radio what I was doin' and
310		where I was.
311		
312	Q:	Okay so you – you had stopped on the street or did you pull over to the side of
13		the road?
514		

INTERVIEW WITH OFFICER SHADEE HUNT Interviewer: Det. Smith Case #P13169168 Page 8

315	A:	I was kind of I guess in between the – the lot – the dirt lot and on the – the
316		northbound travel lanes.
317		
318	Q:	Uh, where your car is now, is that where you stopped?
319	ζ.	
320	A:	Yes sir.
321	11.	Tes sin.
322	Q:	Okay. So wherever it is now that's where you
323	Q.	Okay. So wherever it is now that s where you
323	A:	That's where it was.
325	A.	That's where it was.
	0.	nowlead it
326	Q:	parked it.
327	A	Vin
328	A:	Yes sir.
329		
330	Q:	Okay. So, you – you see this guy run in front of you. Um, whatother than
331		him running in front of your car, is there anything i- uh, what in your mind
332		made you want to stop and talk to him I guess is what I'm getting at.
333		
334	A:	A- again, he was just runnin' across the street. I didn't know exactly cause
35		I've seen a lot of – or I've talked to a lot of people in that area before and
<i>ა</i> 36		usually somebody's may – may or may not be up to any good but it's very
337		dark around there. It's not a well lit area. I've stopped a person in a GTA that
338		was kinda comin' from that area before so just due to my beat knowledge I
339		just try to talk to people in that area just to see what they're up to. And again,
340		him running and as I'm talkin' to him, as far as I asked him, "What are you
341		doing?" He said immediately, "I'm good." Trying to kind of avoid me. So
342		again that just raised my suspicion a little bit so that's when I get out of the
343		car, "Hey what are you doin'?" And that's he goes, "We're good." So again
344		I'm about to get to put out my radio traffic and – and that's when the shots
345		were fired.
346		
347	Q:	D- was he running through a crosswalk or just jaywalking across the street?
348	<u> </u>	2 Was it i manifest to the control of the spirit of the sp
349	A: 0	Just jaywalking across the street.
350	71.	Just july waiking deross the succe.
351		Okay. And – so you pull up and you ask him what he's doing and – and he

856		passenger door? Did you see the pa- passenger door open before?
857 858 859	A:	I – I don't remember seeing it open sir.
860 861	Q3:	Before he got to that point?
862 863	A:	But I'm not 100% sure.
864 865 866 867	Q3:	Okay. And rea- reason why I'm askin' is whether or not he would've had the gun on him or whether he would've got into the vehicle to retrieve the gun. Do you – do you – do
868 869	A:	Oh, before he started firing sir I don't believe he opened the door. I – I'm

882 883		further back so I – I couldn't – I wouldn't be 100% if I did see something.

907		you doin', prior to uh, things really getting' more suspicious and then he starts
908		acting weird and then so it's kind of taken it up and then you get out. You
909		start to get out to see what's going on and then he's getting even more nervous
910		or?
911		
912	A:	Yes sir. Just by the way he answered me the second time like "We're good."
913		Like another, leave me the hell alone type reaction from him. So a- again,
914		that's just what raised my suspicions a little bit and I kind of wanted to dig a

916		
917	Q:	What was your at least at that point and I know it's all evolving quickly.
918		What was your idea about what – what were you plannin' on doing? Just

920		are you – at that point
921		
922	A:	At – at that point sir I was really just gonna talk to him. But again, just the
923		way he kept reacting to my questioning then uh, I'm like okay this might go
924		ahead and – and go up to a detention cause there – again they're in this dark
925		area and I've, you know, stopped and – and spoke with numerous individuals
926		around there doing things that they shouldn't be doing. And then I didn't
927		know exactly where he came from. If they had just maybe robbed that house
928		that he was running from or – or whatever the case may be.
929		
930	Q:	Okay so and – and in your mind um, something started as a simple contact is

INTERVIEW WITH OFFICER SHADEE HUNT Q=Det. Smith

Q1=Det Rowe Q2=Attorney Ethier A=Officer Hunt

Okay. It is uh, 6:20 a.m. and we're back on – and we're back in the conference room. The same persons are present. Um, Officer Hunt we looked at the COBAN video and it appears uh, I know we talked about when you thought you uh, returned fire and that was – you said uh, you think you were by your driver's door and then you ran to the other side of your car and took cover. Um, looking at the scene your shell casings appear to be on the passenger side of your vehicle and then we just reviewed the COBAN with you and your attorney again and it looks like after you run around your vehicle that there were puffs of smoke going across the hood of your car – at least one, maybe two – um, after you run and take cover. And so in retrospect do you think you fired – do you still think you fired from the driver's side or do you think you returned fire after you obtained the cover?

After reviewing the video to refresh my memory I believe I did fire from after – after – I fired from the point after I took cover.

Okay. And is that based on what you're seeing or what you're remembering now uh, because of the video or...

What I'm – what the – what the video refreshing my memory a little bit as to the – the progression of things.

And I understand – clearly this happened all within a matter of seconds and its – it was a - a very dangerous uh, deadly situation so um, don't feel like – I mean this is common uh, for people to, sequence of events to um, get jumbled up sometimes because it's – it's a traumatic event so um, it's just, the physical evidence in the video contradicted a little bit about where you said you returned fire.

Yes sir.

45	Q:	So we wanted to clear that up with you and now in retrospect based on all of
46		that you think that you probably returned fire after you take cover?
47		and you among the product of the control of the con
48	A:	Yes sir. Now that I'm thinking back uh, my frame of mind at that time was
49	11.	it was – I just wanted to get behind something because being that we were so
50		close together I just wanted to immediately get behind something before I did
51		anything else.
52		anything eise.
53	0.	Okay. And when you got over there and returned fire what were you looking
	Q:

55		T
56	A:	I was
57 59	0.	Did and him will?
58	Q:	Did you see him still?
59		
60	A:	I saw kind of a silhouette but again the – the windows were very tinted so I
61		was going more off the last place that I saw him because he ducked down and
62		he didn't – I- I didn't think he had a – a place to go that quickly from – just to
63		the point of him firing to the point of me getting cover and returning fire. So I
64		thought that he would probably still be in that spot.
55 66	0.	Okay. And uh, I - I know that you said you saw somebody sitting in the

79	Q: A: O:	he was sum there during the exchange.
80	0:	Okay and this is something that I forgot to ask you – why did you stop firing
81		after only two rounds?
82		arter only two rounds.
83	A:	Because his firing stopped. I wanted – I had my position of cover so I felt a
84	1 3.	little bit more comfortable and I wanted to get on the radio so I could start
85		getting other units there just in case that – if he started firing upon me again.
